

# THE GERMAN SHEPHERD DOG COUNCIL OF AUSTRALIA Inc.

## VICTORIAN FIRE APPEAL BOOK DRIVE

## We need your help!!

The German Shepherd Dog Council of Australia Inc. Executive is seeking the support of the Member Clubs in a united effort to provide library books for the re-establishing of libraries at the Kindergartens, Primary Schools, and Secondary Schools that have been destroyed or affected by the current bush fires in Victoria.

We are looking to have members purchase NEW books (not donate second-hand books) that will be stored in readiness for the schools as they are rebuilt. This evening, 12 February 2009, we will be creating a dedicated webpage with a link [www.education.vic.gov.au/prc/books](http://www.education.vic.gov.au/prc/books) to the appropriate book lists on the GSDCA website, for members to purchase from their local bookshop.

To handle the logistics of this task we ask that each Club appoint someone to be responsible for organising a book drop point where your members can take their books.

*(I will contact that person in order to arrange forwarding of books).*

Alternatively, if you have members in your Club who are either located in remote areas or they are unable to access the collection point specified; they may wish to participate in this appeal by purchasing and sending a book to:

GSDCA Secretary,  
Mrs. V. Moody,  
P.O. Box 173,  
Macedon Vic. 3440.

Members can provide a donation via a cheque or money order, made payable to "GSDCA Inc." and send to GSDCA Treasurer, Mrs. J. Kenworthy, P.O. Box 36, Hall ACT 2618.

Would each Club please advise me whether you will support this concept.

**Val Moody**  
Secretary,
