OPEN BITCH CRITIQUES - STATE BREED SHOW - JUDGE: MRS. FAY STOKES GRADINGS: I-10 EXCELLENT MERIT II- 21 EXCELLENT

- 1st 2010 NSW SIEGERIN & EXCELLENT MERIT
ANDACHT SUPER FORTRESS AZ - 5yrs 7 mnths**

Unox Aducht/Andacht Spearitt
Line Bred - 4-4 Xena Wattenschied

This bitch is from the dual Gold Medal dog Unox Aducht through to VA3 Mack Aducht and Sieger Rikkor Bad Boll and on dam's side Gold Medal dog & NSW Sieger Turnberry Stands Alone with also in the pedigree the producing lines of Turnberry Nicolette and Gold Medal and twice NSW Sieger Lesko Wildsteriger Land.

This bitch has had an outstanding show career having taken back to back Silver National Medals and presented this year with outstanding progeny from her first litter especially the male which is unbeaten to date, including the National, and is far above the average as well as two beautiful females.

She is a large, richly pigmented bitch of excellent type and proportions with a very good head and expression and dark eyes. She stands with high wither, firm back into very good croup. Very good angulations of the fore and hindquarter with a very good top and underline and forechest. She stands correct and steps correct. She shows powerful, effortless far reaching movement where the back remains absolutely firm and she is today presented in absolutely top condition.

- 2nd 2010 RESERVE SIEGERIN & EXCELLENT MERIT
KARMAY KOKODA AZ - 4yrs 9 mnths**

Ambala Caprio/Indarra Bit Of Class
Line bred - 5-5,5 Quando Arminius, 5,5-5,5,5 Uran Wildsteiger Land

This bitch is from the Gold Medal dog & Reserve Aust. Sieger Ambala Caprio through NSW Sieger Tacko Felsen-Grotte to Sieger Jeck Noricum. Caprio's dam Trissi v Wildsteiger Land is the daughter of Sieger Karly Arminius, to VA Kimon Dan Alhedys Hoeve and the Italian Siegerin Rita di Casa Mary from VA Yago Wildsteiger Land

Her dam Indarra Bit O Class is from Key Wienerau to VAs Laios Van Noort and Cello Romerau

Once again we have a bitch from proven producing bloodlines not only through her sire line but the Indarra lines which competed so successfully at our Australian Nationals and was for many years the top kennel in New Zealand. The dam herself is a NZ Gold Medal winner.

Whilst she mirrors her dam in type she has from her sire the heart to perform until she drops. She has had an incredible career having been Baby Siegerien MBE, Intermediate Siegerien MBE and a very successful performer all over Australia under German SV Judges. The bitch is anatomically very correct and shows no exaggeration in any of her anatomy. She is never presented unless in absolutely firm, hard dry condition and is one of the most consistently highly placed bitches we have.

She is well above medium size, medium strong, richly coloured bitch of excellent type and proportions with a very good head, dark mask and ideally the eye could be slightly darker. High wither, firm back into well moulded croup, very good angulations of the fore and hindquarter where ideally the upper arm could be slightly better angled. She stands with a very good top and underline. She stands correct in front and steps absolutely correct coming and going. She has a very good top and underline. She shows far reaching powerful movement where she is absolutely firm and dry .

3rd

EXCELLENT MERIT

FREEVALE CRAZY IN PINK AZ - 2 1/2 years -

Cayos Noriswand/Freevale Crazy for Love

No line breeding

From the NSW Sieger Cayos Noriswand, through to VAs Yasko Farbenspiel Jello Michelstadter Rathaus, Amida av Norden Stamm, Ursus Batu, Connie Farbenspiel, Karly Arminius

Her dam Freevale Crazy for Love to Bronze Medal & NSW Sieger Lindendale Strike Force to VA MBE Hasenway Wild Knight & Gold Medal & Aust. Sieger Dorsten Monte Cito.

Here we have an absolutely anatomically beautifully constructed female who both in stance and movement is the epitome of what we would all like to own I am sure. Whilst she has no line breeding she carries a pedigree full of proven producers and comes herself from a good family and I have absolutely no doubt that she will produce very well when bred from.

She has had an outstanding show career having won her class in the last two Nationals as well as taking out the Reserve Bitch at this years National.

She comes from a very successful kennel where, although they have imported dogs themselves, still continue to source bloodlines compatible to theirs from other breeders and that is why they will continue their success and not breed themselves into a corner and I congratulate them on their transition from a very successful all breeds career into the speciality arena.

She is an above medium size, medium strong, slightly elongated bitch of still very good proportions. Lovely feminine head and expression with good eye colour. She stands with a high wither, firm back into well moulded croup. Very good fore and hindquarter angulation with very good top and underline and forechest development. She stands correct and steps correct. She displays powerful, far reaching ground covering effortless movement where her back remains firm.

4th

EXCELLENT MERIT

VLADIMIR ANARCHY AZ - 5 years 2 months

Unshaus Storm Strike/Vladimir Olymp Brook

No line breeding

Although she has no line breeding her sire Unshaus Storm Strike is through the Gold Medal & Aust. Sieger Aimsway Abacus, to Balou Epplein and VA Quanto Brunnenstrasse to Jello Wienerau

Her dam Vladimir Olymp Brook through the NSW Res. Sieger Quatorze Kathmandu.

Through her pedigree she carries the lines of the Australian producers Dorsten Monte Cito, Hasenway Putz, Iniff Vagrant, Iwan Lechtal, Lindendale Strike Force and Karlrach Combination.

OPEN BITCH CONT....

The bitch herself has had a great show career in both the speciality and all breeds arenas. I would like to see this bitch mated to a producing German line as I am sure she is capable of producing some outstanding progeny. Anarchy, like the winning bitch, has from her first litter produced a top performing young male as well as a successful female.

She is a large, medium strong, sable bitch of excellent type and proportions who presents a very good picture in stance. She has a very good feminine head and expression with good eye colour, high wither, firm back and well moulded croup. She has very good fore and hindquarter angulation where the upper arm should be better angled. Very good top and underline and forechest. She stands correct and steps correct. She shows very good ground covering movement where ideally the reach could be just slightly free-er. She is presented in absolutely firm dry condition.

5th

EXCELLENT MERIT

JOLLY v THERMODOS (IMP GMY) aZ - 4 years 9 months

Zamp Thermodos/Mira Zellergrund

Line bred - 5-4,5 Jeck Noricum, 5-4 Ostra Kirschtal, 5-4 F Litter Hirschel

This bitch is by the Sieger Zamp to Res. Sieger Quantum Arminius, VA Dux Della Valcuvia, Siegerin Una dell Valcuvia to VA Esko Danishcen Hof and VA Jango Furstenberg to a further 5 VAs.

Through her dam to VA Quartz dei Templan, VA Lord George Viktor Turn to Sieger Jeck Noricum and again to another 5 VAs.

A very well bred bitch who also has a beautiful VA litter sister in Germany. She has had one litter since arriving in Australia and the bitch from that litter finished 2nd today.

This is a bitch which I have absolutely no doubt will go on to produce some outstanding progeny and I congratulate the owners on their purchase of such a beautiful bitch.

She is a large, medium strong, slightly elongated bitch of still excellent proportions, with a very good head and expression where she has large, deep set ears but very strong. Level wither firm back and well moulded croup,. Very good angulations of the fore and hindquarter with good top and underline. She stands correct in front and steps correct. She displays a very powerful far reaching effortless movement where her back remains absolutely firm.

6th

EXCELLENT MERIT

TANNALANE LAKOTA BELLE AZ - 4 1/2 years

Ambala Caprio/Druann Fantasia

Line Bred - 2-2 Tacko Felsen Grotte, 3-3 Jeck Noricum, 4-4 Odin Tannenmeise
3-4 Rita di Casa Mary, 4-5 Yago Wildsteiger Land

The sires lines have been discussed in the Exc.Merit 2 bitch. This bitch has been line bred heavily to Druann Fantasia a Tacko daughter from Druann Bewitched a Lesko Wildsteiger Land daughter.

Whilst she had not yet been bred her full litter sister has produced the 2nd baby puppy and 3rd intermediate dog today. She mirrors her sire in type and his willingness and heart to perform even to the high stepping in front until she settles. Whilst she did not have an outstanding career as a youngster which was typical of the Caprio stock, when she reached Junior she started to mature from the rangy youngster and even more so since she has reached the open class where she consistently finishes in the top 5.

She is virtually full German breeding and I am sure when she is bred from will produce quality puppies and through her breeding retain the beautiful type she is.

OPEN BITCH CONT....

She is a large, medium strong, richly pigmented bitch of excellent type and proportions with a very good head and expression and eye could be just a little darker. High wither, firm back and just slightly short croup. Very good fore and hindquarter angulation where the upper arm could be better angled. Very good top and underline and forechest. Stands correct in front and steps a little close going correct coming. She shows powerful movement where the back remains absolutely firm and wither line is maintained.

7TH

EXCELLENT MERIT

ALDAIN BRONACK AZ - 3 years 4 months

Ambala Caprioi/Aldaina Bijanka

Line bred - 5-5 Mark Haus Beck

Sire has already been discussed. Her dam Aldaina Bijanka was the Reserve NSW Siegerin through to Karlrach Stone Th Crows to Iwan Lechtal, Karlrach Combination and the Silver Medal Triumphs Kazarn.

Again a very well bred bitch from proven producing lines and from a successful kennel as who could forget the great Aldaina Noricum Monza and Minou the big winning brother and sister.

I have these two bitches together as they are absolutely of the same sire type.

Bronack has had a very good career from baby through to the open class and again I am sure will produce exceptionally well when bred from.

She is an above medium size, medium strong bitch of excellent type and proportions with a very good head and expression where the eye could be slightly darker. High wither, firm back into well moulded croup. Very good angulations of the fore and hindquarter where the upper arm could be slightly better angled. Very good top and underline and forechest. Stands correct in front and steps correct. Shows very good ground covering movement where the back remains firm and wither line is maintained.

8th

EXCELLENT MERIT

LILLI v TROMPETERSPRUNG a ED (IMP GMY) - 4 years 9 months

Pakros d'Ulmental/Ronja Bottroper Grenze

Line bred - 5-5 Cimbo Burg Reichenstein

She is by the Sieger Pakros to Sieger Bax Luisenstrasse, Siegerin Karma Ochsentor to VA Odin Hirsche, VA Beauty vd Huis Kirura.

Her dam Ronja is from Sieger Henry Dunieschenke, to VA Esko Danischen Hof to Reserve Sieger Valium Arminius.

What a beautifully bred bitch and again congratulations tot he owners for purchasing her. She had stock today which finished 4th and 6th in puppy and another who finished 8th in intermediate. Typical of youngsters from German breeding they still have a lot of developing to do but they will certainly make it the bitch finishing 4th was a very impressive youngster. This is a breed show and whilst she may not be as impressive to look at as some in front of her she is a very good bitch with an excellent pedigree to breed from.

She is a large, strong, stretched bitch of very good type and pigment, She has a very good head where eye could be darker. High wither, firm back well laid but slightly short croup. Very good fore and hindquarter angulation with good forechest and good underline. She stands correct in front and steps correct coming and going. She shows powerful far reaching effortless movement

9th

EXCELLENT MERIT

SUNDANEKA IZZY STARDUST AZ - 3 1/2 years

Orpheus Krauterweise/Sundaneka Tulua

Line bred 5-5 Jeck Noricum

Her sire Orpheus through Vantor Bato to Seiger Ursus Batus, Seiger Hobby Gletschertopf, VA Quartz Dei Templari to Jeck Noricum. Through her dam to Uno Urbecke, Vitas Haus Farrenkpf, Visium Arminius and Jeck Noricum

OPEN BITCH CONT....

She is a bitch from producing lines and her dam Tulua has produced well. She is a bitch who has competed quite successfully in the ring and she herself is a bitch of the correct medium size and good strength who I have no doubt will prove a valuable brood bitch when bred.

She is the correct medium size, strong bitch of very good type and proportions and pigment with a very strong but feminine head and dark eye. Level wither, firm back into well moulded croup. Very good angulations of the fore and hindquarter with a very good top and underline and forechest. She stands correct and steps correct. She shows very good ground covering movement where the back remains firm but I would prefer her to carry her wither a little higher.

10th

EXCELLENT MERIT

SENMORA ALL ABOUT MAGIC AZ - 3 years

Dellahund Desert Driver/Conkasha Wicked Princess

No line breeding

Her sire Desert Driver is from Goya v Hauswalder, through VA Esko Danischen Hof to VA Jango Furstenberg, VA Ulk Arlett and VA Marit Wildsteiger Land to Gold Medal Lesko Wildsteiger Land. Her dam is by the NSW Sieger Uras Trafalga, and the Aust Sieger Troy Noriswand.

She contains in her lines many proven producing animals and I am sure if the owners research her lines they will be able to breed her well to produce top progeny.

She herself is a bitch that has competed well in the ring and is a bitch that at times does not do the best of individuals but as she settles she has no problem in moving up through the class.

She is a large, stretched bitch of still very good proportions, with a very good head and expression and dark eye. Stands with level wither, firm back and well laid croup. Very good fore and hindquarter angulation, with a good top and underline and good forechest. She stands straight in front and steps correct. She shows far reaching effortless ground covering movement where the back remains firm but she could carry her with a little higher.

OPEN DOG CRITIQUES: JUDGE: MRS. MELANIE GROTH GRADINGS: 1-4 EXCELLENT MERIT 5-9 EXCELLENT

- 1st ***NZ CH OAKWAY QUIZ MASTER AZ**
Ingo Frankengold/Oakway Body Language
7 years 3 months. 64cm. Well above medium size. Strong. Substantial. Richly coloured, well pigmented, sable dog of excellent type. Presented in very good condition considering his age. Very good head and expression. Dark eyes. The ears should be set a little higher on the skull. Powerful neck. Slight nick behind high wither firm back, well moulded slightly short croup. Correct fore and hindquarter angulation. Very good fore and just slightly short underchest. Very good length of foreleg. Steps narrow at rear. Has a slight tendency to toe-in at front. In movement he displays powerful drive with very good reach whilst maintaining a high wither. Shows very good energy for his age.

Quiz Master a New Zealand bred dog, is unable to present progeny this weekend as he has only been resident in NSW for three months. However, he is the only dog presented here today to have fathered excellent graded progeny. He is a very well bred male and there are high quality males and females right through his pedigree with a strong predictability of type. He has National winning progeny both here in Australia and in New Zealand. The progeny have been successfully exhibited with excellent gradings, like their father, under SV, European and Australian judges.

2nd ***FREEVALE SWEET LACHLAN AZ**

Aimsway Stone Cold/Freevale Crazy for Love

3 ½ years. 65cm. Large, strong, masculine well constructed. black and gold male of very good type. Presents very good picture in stance. Well coated and well presented. Very good head and expression. Ideally the lips should be a little less loose. Powerful neck, set just slightly erect, but is of good length. Very

Good top and underline. Very good fore and just slightly deep in the hindquarter angulation. Broad powerful thighs. Very good length of foreleg. Pasterns should be a little firmer. He should stand a little more correct in front. Steps narrow at rear. The hock and elbow joints should be a little tighter. In movement displays very good ground cover, whilst maintaining a good topline, and a lot of energy.

Sweet Lachlan presented a young but pleasing progeny group this weekend. The progeny presented performed well at this exhibition and were of very good anatomical construction.

He is a well bred male with lines to Iwan von Lechtal and his producing mother Freevale Crazy For Love is a proven producer of quality. His half sister, Freevale Crazy in Pink is Excellent Merit this weekend and is a National winner in the Junior and Intermediate classes. Care needs to be taken with the ligamentation, hock and elbow connections with this male, however he comes from a very good family and stands in the type of his father, grandfather and great grandfather, therefore he will bring progeny with very good anatomy.

3rd ***CH.FREEVALE CAUSIN CHAOS AZ**

Cayos Noriswand/Eigenschaft Regal Flame

3 ½ years. 65.5cm. Very large, strong, substantial slightly elongated well constructed, well coloured male of very good type. Expressive, masculine head. Strong powerful neck. High wither, firm back. Well moulded croup, just slightly short. Very fore and hindquarter angulation. Very good length of foreleg. Very good fore and just slightly short underchest. Ideally the tail set should be a little lower. Standing not quite correct in front he steps a little narrow at rear. Good firmness of the hocks joints. The elbows should be a little tighter. He shows very good fore reach and powerful hind quarter drive in movement whilst the ligamentation remains firm and dry.

He impressed today with his convincing performance in this open class. He has a young progeny group that has had some good placings this weekend. He is a very impressive young Cayos son possessing an excellent motherline. Regal Flame is a former State Breed Reserve Siegerin and has progeny that have performed well on a National scale. Therefore Causin Chaos has good anatomy and family behind him and being a high quality son of Cayos, a former NSW State Sieger he offers an alternative for breeders.

4th ***CH.SCHNEERBERG FIRE STORM AZ**

Scheer Jose Cuervo/Schneeberg Pure Charm

2 years 11 months. 63cm. Double P1 Upper right. Above medium size, strong, very well constructed sable male of pleasing type. Expressive masculine head with good planes of the skull and foreface. Ideally the eye should be a fraction darker. Ideally the neck should be a little longer. High wither, firm back, slightly short, well moulded croup. The upper arm should be longer but is well angled. Very good hindquarter angulation. Good fore and pronounced underchest. Good length of foreleg. Stands correct in front. He steps narrow at rear. The elbows should be tighter. In movement he displays very good drive and reach, maintaining a very good overline and an excellent sequence of steps.

This is a young dog of very good type and size. He is a well bred son of previous Excellent Select Scheer Jose Cuervo. His progeny are still very young but he possesses very good lines, anatomy, colour and pigment and therefore this elevates him into the higher group today. Progeny have performed well this weekend. He is linebred to some of Australia's best producing lines which also give a good predictability of family type. He should bring soundness, type and good size.

- 5th ***DELLAHUND PARTY PRIZE AZ**
 Dellahund Desert Driver/Dellahund High N Posh
- 3yrs 2 months. 65cm. Large, strong, richly coloured and pigmented. Well coated, slightly elongated male of very good type. Firm and dry. Masculine head and expression. Powerful neck. Level wither, firm back, slightly short, slightly steep croup. The upper arm should be longer but is well angled. Very good hindquarter angulation. Good fore and very good underchest. The elbows are a little open. Good length of foreleg. Stands correct in front. Steps a little narrow at rear, correct in front. Good hock joint connections however the elbows are a little loose. In movement he displays good energy, with good ground cover. He has a good sequence of steps, while maintaining a good wither line.
- Party Prize is a well constructed dog who will be a very good colour and pigment corrector. He is a dog with good balance and would be suitable for bitches who are excessive in their angulations. He has good bone strength and character.
- 6th ***ZAMB vd SANSTEIN KUSTE (GMY)aZ**
 Quantum Fiemereck/Wiggi Bauno Fer-Land
- 3 years 66cm. Very large, strong and substantial, masculine, black and red gold dog of pleasing type.. Very good head, with desired dark mask. Very good ear carriage. Strong neck that should be a little longer. High wither, firm back, slightly short steep croup. The tail is set slightly high. Very good fore and hindquarter angulation. Good fore and underchest development. Good length foreleg. Stands correct in front. Stepping slightly narrow at rear, correct at front with good hock connections, however the elbows are a little loose. In movement displays good ground cover, with a good sequence of steps. He maintains a good witherline whilst walking and gaiting.
- Zamb has not been resident long enough to assess progeny, therefore today's judgement is based on bloodline and his anatomy. He is line bred on Ursus Batu and Karly Arminius both excellent dogs to have in a pedigree. They represent strength, type and good proportions, however care will need to be taken with size. There are deep hindquarters in this dog's father line so consideration should be given to this aspect. He is certainly a well bred male with quality animals right through his pedigree.
- 7th ***SUNHAZE OUTRAGIOUS AZ**
 Cayos Noriswand/Sunhaze Lyca
- 3 years. 65cm. Large, strong, elongated male of pleasing type. Very good head and expression. The eye should be a fraction darker. Well placed ears. Good neck. Level wither, firm back, slightly short, slightly steep croup. The upper arm should be a little longer. Slightly deep hindquarter angulation. Good top and pronounced underchest. Good length of foreleg. The pasterns should be a little firmer. He stands not quite correct in front. Steps a little narrow behind. The hock and elbow connections should be a little tighter. He displays powerful drive with good reach whilst remaining firm and dry.
- Outragious is an excellent son of Cayos. He is too young to have any progeny at this stage but displays the hallmarks of the Cayos line, being strong and substantial and of very good type. He has the tendency to heavy step a little after prolonged gaiting, but has successfully made the transition into the open class.
- 8th ***DELLAHUND KIC ATINALONG AZ**
 Uras Trafalga/Dellahund Unique Harmony
- 4 ½ years. 63cm. Medium size. Strong. Substantial. Richly coloured. Well Pigmented. Black and gold male of good proportions. Good type. Good head. The under jaw should be a little stronger. The ears should be set a little higher on skull. Desired dark eye. Strong neck that should be a fraction longer. Slight nick behind level wither. Firm back. Well moulded slightly short croup. The upper arm should be longer, but is well angled. Very good hindquarter angulation. Shows good muscular development.. Good fore and very good underchest. Good length of foreleg. The pasterns should be firmer. Stands correct in front. Stepping correct at rear and a little wide at front. The elbows should be closer. The tail is casts to the left. He displays powerful drive with good back transmission. The reach could be a little more free and the wither held higher. The ears should be firmer in movement.
- Kic Atinalong is a firm, dry well coloured male who presented some good quality progeny, however they tended not to mirror the sire. He is a well balanced, well trained dog of excellent quality, who has made the transition into the open class with success.

9th ***AMBALA TOBLARONE AZ**

Cayos Noriswand/Ambala All That Jazz

2years 3 months. 64cm. Well above medium size, medium strong, slightly elongated. black and red tan male of good type. Good head and expression. Ideally neck should be just a little longer. High wither. Firm back. Well moulded, slightly short croup. The upper arm should be longer, and is just slightly forward placed. Slightly deep hindquarter angulation. Very good fore and underchest. Good length of foreleg. The pasterns are a little steep. Stands not quite correct in front. Stepping correct at front and rear. In movement he shows good drive, with a slight restriction in the reach. He maintains good overline during gaiting. He should show a little more muscle tone.

A well constructed son of Cayos and Excellent Select female and previous State Siegerin, Ambala All That Jazz. He is a little lacking in the bone strength required for a top male, however displays very good characteristics from the motherline particularly.

SIRES PROGENY - STATE BREED SHOWS

ANDACHT I AM LEGEND

This is the group of Andacht I Am Legend by Cayos Noriswand and Turnberry Super Impose. The sire is present. The group consists of 3 males and 2 females.

The animals presented are all very young so it is difficult to make a judgement of what this sire will produce in the future. However, it is good to see a group presented. They appear to have good bone strength at this stage, very good colour with very good eye colour which is very pleasing, the topline are very good at this stage.

DELLAHUND KIC ATINALONG

The group from Dellahund Kic Atinalong, the sire is present. The group consists of 2 males and 4 females. The animals are generally of good construction with quite good topline. There is good definition between sex characteristics of the males and females. We note the head strength is good, the eye colour mixed, the ears are set slightly low on the skull. Care needs to be taken with the length and lay of the upper arm. They all stand correct in front, the hindquarters are good and the hock strength very good. They have a good sequence of steps and display good energy, however some of the animals have a restriction in the forehead reach and just need to carry the witherline a little higher. The progeny are not in the type of the sire, therefore one would expect that puppies from this dog will favour the mother line. A good group.

CAYOS NORISWAND

This is the group of Cayos Noriswand, NSW State Sieger 2008. The group consists of 6 males and 9 females

They show very good type, very good definition between the sexes, The bone strength is strong to medium. The topline are all very good, with good ligamentation. There is a slight tendency for some of the animals to be a little short in the underchest. The hindquarter angulations are very good. Some animals appear to have a slight restriction in the length of upper arm.

The sequence of steps is very good, they tend to step well. In some exhibits the reach should be just a little more free. Praiseworthy is the fact that the animals show a good desire to run so they are willing to work in the ring and note also that the coats on the animals are very good as is the colour.

FREEVALE SWEET LACHLAN

This is the group of Freevale Sweet Lachlan, sire is present, 1 male and 4 females and it is noted that the eldest is a junior.

All of the animals presented here are of well above the average construction, very good proportions, stretched but very good, they have very good head strength and certainly the male is very strong and the bitches are feminine and have very good expression. All the animals seem to have a willingness to work.

We note that when the animals are standing the necks have a tendency to be a little erect however when moving the carriage is normal.

The upper arms could be a little better angled some are a little steep where the shoulder however is well placed, they have good topline and very good underlines. They stand correct in front however there is a tendency for the animals to be a little loose in the hock joints. Animals exhibit a very good sequence of step however some have a little restriction in the reach.

All judges here are very pleased with the group they are all very sire typical animals

FREMONT TOO HOT TOHANDLE

This is the group of Fremont Too Hot To Handle with 2 males and 2 females, sire is not present, the group is only representative of two litters.

We have four sables and what you see is animals of very good construction and with the exception of the last animal they all have good heads and underjaws, good length of neck, very good topline with a tendency to a short underchest. The forehand is generally very good however the upper arm could be just a little longer. We note that the animals have very good hindquarters to just slightly deep.

They stand correct in front, hock joints are very good. The coats are of very good quality with very good markings.

They cover the ground well in movement with a great willingness to work.

It is only a small representation but it is a very good group and we look forward to seeing a larger group in the future.

FREEVALE CAUSIN CAYOS

Sire is present and we have 4 bitches and 1 male and we note that the eldest is only 11 months so it is too early to tell.

What we see here today are animals of very good type, very good colour, balanced angulations but it is too early to really comment. However it is good to see the young dog able to present a group.

SCHNEEBERG FIRE STORM

Sire present - only have 3 representatives so it is difficult to make a decision however we note that the animals are of very good quality, very good head, very well constructed, show good sequence of step in movement.

However it is not possible to make further comments and we look forward to seeing a bigger group next year.

BREEDERS GROUP

FREEVALE

4 Males 2 Females from 5 sires and 5 dams

The quality of this group is excellent. They are excellent in type, possess very good anatomical construction, with good definition between male and female. The kennel is to be congratulated for its use of a variance of sires and dams that has contributed to a group that is uniform in type and anatomy.

ANDACHT

2 Males 5 Females from 5 sires and 6 dams

The difference between the two groups is probably the mixture and the overall quality of all the animals is not quite up to the standard of the Freevale Group but a very beautiful group. Once again a group that has demonstrated good variance of sires and dams that have combined to give animals that are uniform in type and colour.

VLADIMIR

3 Females 2 Males from 4 sires and 2 dams

A very good uniformity of type very good difference of sex characteristics. All animals are of above average quality. An outstanding group from Vladimir.
