GSDCA Executive
& ALL Member Clubs,

As no doubt most of you are aware, due to Margit Van Dorrsen being appointed to judge at the Sieger show this year, she had to relinquish her appointment to come and judge at the 40th GSDCA National Show and Trial.

Our club was notified of this in late December and set about the task of seeking a replacement judge with the help of Honey. After several judges being contacted, Herr Albrecht Woerner was contacted and agreed to attend the 40th National.

I am pleased that we now have a signed contract, (just in time for the Dogs NSW cut off) and that all the planning for this wonderful event can continue, albeit with a few more grey hairs on my behalf!

Herr Woerner is no stranger to our shores, having last judged a national in 2005 and I am sure he will do an excellent job. Please pass this onto your members and notification will be put up on our website. If you have any questions please do not hesitate to contact me.

Yours sincerely
Leeanne Lynch
Secretary
