

Please note that the League has received a complaint from Dogs NSW regarding a German Shepherd person driving their car around the grounds with a German Shepherd in tow.

This practice is DEFINITELY NOT ALLOWED - it is very dangerous and especially so in the heat we have in Sydney today it has also left tyre indents embedded into the ground.

If you know anyone who does this would you please advise them that this is NOT ALLOWED.

Naturally this will be announced at our next training sessions and will be put into our Shepherd News and on our website.

Thanks
